

About us

Welcome to Novel Cube! Here we will introduce our team.

Our Mission

We are a passionate and creative team dedicated to bringing exciting reading experiences to our readers. We believe that every story has its own unique charm, and our mission is to make these stories shine and touch hearts.

Slogan

"Listen to the voice of words with your heart, love literature and feel the temperature of life!"

Team Members

Developers: Jingtong Cai, You li - These tech gurus are responsible for turning our ideas into reality and making the app run more smoothly and conveniently.

Designers: Dongling Wang, Pengfei Wu - Their creativity and design make our app vibrant and beautiful, making users want to stay and immerse themselves in it.

Editors and Proofreaders: Yuhong Zou - They are the guardians of our words, making sure that each and every novel presents the best reading experience.

Customer Service: Ruiming Wang - The friendly ambassador of our team, always ready to answer your questions and help.

Our Commitment

We understand that we would not exist without the support of our readers. Therefore, we are committed to providing you with:

1. Diverse content covering a wide range of topics and styles.
2. A simple and efficient user experience so that you can easily enjoy reading.
3. Timely technical updates and improvements to ensure you always get the best service.

Contact Us

Whether you have a suggestion about our products or need help solving a problem, we welcome you to contact us at any time. You can get in touch with us through the feedback function within our app or by sending an email directly to [Contact Email].

Thank you for choosing our novel app! We look forward to swimming in the sea of reading with you and creating a wonderful reading time!
